## GET YOUR MATH ON!

Join Nevada State College faculty as you explore challenging math problems! At this conference, you will explore math topics that you won't see in school, engage in friendly competition with other students, and connected to the growing mathematical community in the Las Vegas. Register now for this free, all-day event and expand your mathematical horizons at AxIOM!

AxIOM is the only conference in the Las Vegas Valley specifically designed for high school math students and their teachers.

**HIGH SCHOOL STUDENTS** | Compete for a \$500 Nevada State College scholarship and win prizes in both individual and team competitions!

**MATH TEACHERS** | Earn one professional development contact unit by attending.
