## GET YOUR MATH ON!

Are you a math lover? Join Nevada State College faculty for a day of learning and friendly competition as you deepen your mathematics skills and build bonds with math teachers and fellow high school students from across the valley. Register now for this free all-day event with complimentary lunch and expand your math foundation at AxIOM!

AxIOM is the only conference in the Las Vegas Valley specifically designed for high school math students and their teachers.

**HIGH SCHOOL STUDENTS** | Compete for a \$500 Nevada State College scholarship and win prizes in both individual and team competitions!

**MATH TEACHERS** | Earn one professional development contact unit by attending.

NEVADA STATE  
COLLEGE

**Be bold. Be great. Be State.**
